

Language, Literacy & Communication

Narrative:

Text Rose Blanche- description and diary

Text King of the Sky -PSHE themes

Non Fiction:

Persuasive letter

Poetry: Personification 'The bomb is a bully

Cymraeg: Ynys y Barri

International Language - French

Science & Technology

- Investigation - Which type of paper plane travels the furthest? Why
- Investigate whether air has force?
- State meanings of thrust, lift and drag
- How are shadows formed?
- Why do the length of shadows change throughout the day?
- Research different systems within the human body
- Scratch -algorithms

Journey Summary:

This theme has a Health & Wellbeing focus and teaches children about a range of sports and sporting events, the importance of exercise and healthy living and the history of the greatest sports event on Earth, the Olympics. At the heart of this project children write instructions and explanations and develop additional skills using the technical vocabulary associated with sport and the human body. In the Innovate Stage children apply their skills and understanding by creating a range of new sports and games for the great Council of Athens.

Mathematics & Numeracy

- Place Value
- Rounding to the nearest 10, 100 & 1000
- Data Handling -Bar charts/line graphs
- Multiplication facts (All)
- Division
- Decimals -Multiplying by 10,100 &1000
- Money
- Convert decimals to fractions
- Percentages of amounts
- Statistics & Data - Find mode, median, mean and range
- Reasoning
- Patterns & Sequencing
- Length -converting cm to m

Expressive Arts

Clay Modelling - Welsh wildlife

Pencil sketches - show the movement of athletes building up to a final piece.

How can I support my child this term?

Language, Literacy & Communication

Read with your child

Use [Accelerated Reader](#) regularly at home

Use Google Classroom to access spelling lists

Play simple [Welsh games/apps](#)

Explore the amazing international resources available FREE through Cerdd Iaith at <https://listeningtolanguage.com/resources/>

Science & Technology

Research a range of scientific concepts together at home (see above)

- Experiment at home by completing simple STEM experiments
- Have FUN with science
- Balance screen time when developing digital skills
- Starters for [STEM free ideas](#)

Mathematics & Numeracy

Use the following online tools to develop math topics with your child at home

- [Mathletics](#)
- [Mathbot](#) Puzzles & Question generator
- [BBC Bitesize math](#)
- [Hit the Button](#)

Cynefin - Belonging What does it take to be a champion?

Humanities

Watch sporting events together
Parents share own experiences in taking part in sport

Learn about new Olympic sports
Visit sporting facilities

- [Topmarks games](#)
- [BBC Bitesize - mapping the world](#)
- [World Geography games](#)

Expressive Arts

Access the [Charanga](#) music platform to develop musical knowledge and techniques at home.

Health & Well-being

Find ways to develop health and wellbeing together as a family. You could try:

- Eating meals together (without phones)
- Helping others
- Sharing family memories (e.g photos/videos)
- Being active as a family

Educational Visits/Workshops

Financial Well-being workshop
Pantomime
